

# Parking Decal Application

**Instructions:** Complete all requested information. Applicant must complete a separate application for each vehicle. All vehicles are subject to the PTCA Parking Regulations. File the completed application with the designated Board Member. Please be aware that there are insufficient parking spaces at Pacific Tower to continuously accommodate two (2) or more vehicles for each Unit. For this reason, it may be necessary to temporarily park a vehicle with a decal off-property. All vehicles parked at Pacific Tower must be operable.

**Please print.**
